# Perma Core®

## QUILTER'S EDITION

### Lasting Quality Inside and Out.

**Perma Core® Q&E** QUILTER'S EDITION combines strength and performance with ultra strong filament polyester thread on the inside, and cotton-like soft spun polyester on the outside.

This permanent core fiber structure raises the bar for high thread performance

- \*Exceptionally strong, durable and abrasion resistant seams
- \*Consistent stitches even in high speed, multi directional applications
- \*Highest level of color fastness for vibrant long lasting colors wash after wash

**Perma Core® Q&E** QUILTER'S EDITION is ideal for quilting on home, short and long arm machines. With 3,000 yards per spool, there is more than enough to complete a king size quilt.
